

A SHORT GUIDE TO

Elliot the Supercat

Elliot the supercat
gets his power from
kitty crunchies and

He can eat all he wants -
So I usually put out $\frac{1}{2}$ cup
to a cup a day (but he w

Food is on the kitchen
table. ETSC likes
to eat in front
of the penguin painting.
in the living
room.
He is very
cultured.

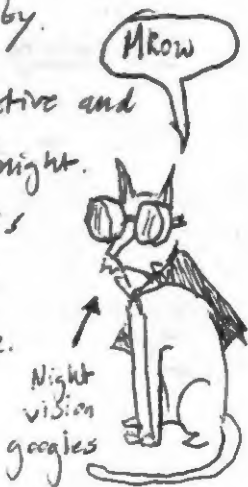

Sometimes he likes a
butt scratch while
eating.

Again, he is
very cultured.
(over eats it all)

ETSC would like to meet
his adoring fans (i.e. you!)
once or twice a day, whenever
you can come by.

He is more active and
talkative at night.
I think he is
talking about
fighting crime.

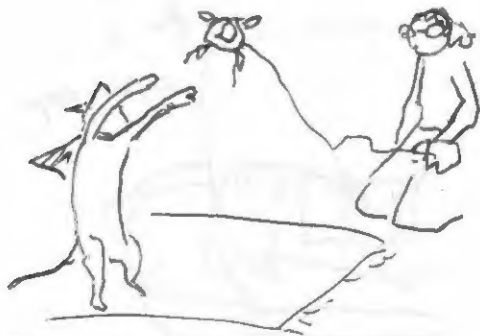

ETSC has many
powers, including mind control,
breaking the hearts of evildoers
with his mrow, and
invisability.

He has a secret lair -
under the covers of my bed.

If ETSC is not being invisible,
he may ask you for loving
or to help him train for
crime fighting with his toy

It will be on the rug in
the living room, maybe.

ETSC thanks you
for this valuable service
to your country.

Now it's time
for a
super-nap.
